

Amendments to the Drawings

The attached sheets of drawings include new Figs. 1-3 to facilitate understanding of the invention in compliance with 37 C.F.R. §1.81(c). Since the new sheets merely reflect the originally filed specification, it is believed that the figures do not introduce new matter and are thereby appropriate.

Remarks/Arguments

Applicants respectfully request reconsideration of the above-identified application in view of the present amendment and the previously submitted amendment filed on July 2, 2009. By the present amendment, Figures 1-3 are presented on drawing sheets identified as "New Sheet" as required by the Notice of Non-compliant Amendment mailed September 8, 2009.

Applicants submit that the new drawing sheets facilitate understanding of the invention and, thus, it is believed that the present application is compliant with 37 C.F.R. §1.81(c). It is also believed that the subject matter illustrated in the new figures is supported in the originally filed application and, thus, the new figures do not introduce new matter.

In view of the foregoing and the previously submitted amendment, it is respectfully submitted that the above-identified application is in condition for allowance, and allowance of the application is respectfully requested.

Please charge any deficiency or credit any overpayment in the fees for this amendment to our Deposit Account No. 20-0090.

Respectfully Submitted,

/Matthew M. Shaheen/
